Shop Floor Cleaner

Specifically designed to break up and lift petroleum-based grease and oily soils commonly found in machine shop environments. Formulated for heavy-duty cleaning of all types of finished and unfinished concrete, including painted and epoxy-coated floors. No-rinse formula is designed to remove soil and leave a streak-free finish. Developed for floor scrubber machines, this formula is non-foaming, phosphate-free and contains ingredients that protect the machine from scale and contaminants.
